II.1.3) The notice involves

II.1.4) Short description of the contract or purchase(s)

The overall objective of the project is to examine the treatment of third country nationals at the external borders of the European Union in light of the existing fundamental rights framework. The project will not cover all fundamental rights issues that may emerge in the context of management of external borders, but focus on 2 specific components.

The first component of the project focuses on the southern maritime borders of the European Union.

The second component of the project will analyse the treatment of third country nationals at border crossing points.
