Questions and Answers I

Question 1:

In section 3.3 Scope of work – specific, at the first paragraph of page 9 you refer to the Table 2 which presents the provisional list of cities and regions where the contractor is expected to conduct the survey in each Member state covered by the research. However, we can't find Table 2 in this document. Could you please clarify whether there is such a provisional list of cities and regions and, if so, make this table available?

Answer 1:

Table 2, indicating the provisional list of cities and regions, was not included in the version of Annex A.1 – Technical Specifications that was published on our website.

Please find the abovementioned table in the revised version of Annex A.1 – Technical Specifications that is published, together with these clarifications, on FRA's website (<https://fra.europa.eu/en/call-for-tender/2017/survey-situation-people-need-international-protection-who-arrived-eu-2015-2016>).
